

Protect Your Investment - Maximize Your Coverage and Benefits

Protochips offers two levels of benefits coverage.

1. **Extended Warranty**
2. **Warranty combined with Service Plan Plus**

Extended Warranty

Service Plan Plus

Coverage	100% repair coverage including parts and labor for products that fail to function under normal use.	<ul style="list-style-type: none"> • 50% off parts & repairs resulting from accidental damage or misuse. • 100% coverage for cable repairs. • 10% discount off E-Chips, consumables and other accessories. • Annual service visit (<i>Atmosphere only</i>)
Availability	<ul style="list-style-type: none"> • When active warranty expires. • Sold in 1-yr increments. 	<ul style="list-style-type: none"> • Available at time of purchase. • Sold in 1-yr increments. • Must have an active warranty to purchase.
More Information	See PAGE 2	See PAGE 6

Save costs by planning for your warranty extension to take effect immediately after the original warranty expires.

□

Protect Your Valuable Investment

Extended warranty products cover 100% of the repair costs, including parts and labor if your Protochips equipment becomes inoperable or fails to function properly during normal use. Protect your investment and maintain the flow of your work after expiration of the standard warranty.

Poseidon Extended Warranties

System/Product	Covered Components	Extended Warranty P/N
Poseidon Select Liquid Cell System	Poseidon Select Holder	EW-PSEL-1YR
Poseidon Select Electrochemistry Package	Potentiostat, Cabling, Ex-Situ Cell, and Reference Electrode	EW-PSEL-EC-1YR
Poseidon Select Heating Package	Power Supply and Cabling	EW-PSEL-HTG-1YR

Coverage of other accessories and consumables, including E-Chips, workflow accessories and replaceable tubing are not included. Third-party computers and peripherals are covered by a separate warranty plan from the original equipment manufacturer, and any extensions would need to be sourced through them directly.

Fusion Extended Warranties

System/Product	Covered Components	Extended Warranty P/N
Fusion Select Heating Base System	Fusion Select Holder, Cabling, and Power Supply	EW-FSEL-1YR
Fusion Select Electrical Base System	Fusion Select Holder, Cabling, and Power Supply	EW-FSEL-EC-1YR
Fusion Select High-Res Electrical Package with Electrothermal Capabilities	Power Supply and Cabling	EW-FSEL-EHR-1YR

Coverage of other accessories and consumables, including E-Chips and workflow accessories are not included. Third-party computers and peripherals are covered by a separate warranty plan from the original equipment manufacturer, and any extensions would need to be sourced through them directly.

Atmosphere Extended Warranties

System/Product	Covered Components	Extended Warranty P/N
Atmosphere Base System	Atmosphere Holder, Gas Manifold, Cabling and Gas Lines	EW-ATMO-1YR
Atmosphere RGA Package	RGA, RGA Cabling and RGA Turbo Pump	EW-ATMO-RGA-1YR

Coverage of other accessories and consumables, including E-Chips, workflow accessories, RGA filament and ionizer are not included. Third-party computers, computer peripherals, and external scroll pumps are covered by separate warranty plan from the original equipment manufacturer, and any extensions would need to be sourced through them directly.

AXON Extended Warranties

System/Product	Covered Components	Extended Warranty P/N
Axon Dose Faraday Cup Holder Kit Package	Dose Holder, Picoammeter and Holder Cabling	EW-DOSE-1YR

AX Solutions - Recommended Extended Warranties

AX Solutions Packages contain multiple Protochips products. Extended warranty coverage can be purchased for the entire Solutions Package or specific products within each package.

Additional Information

Remote Support Available

Some product service and performance issues can be corrected remotely. All Protochips customers are eligible for remote support to triage and/or correct the system through remote support.

Please contact **support@protochips.com** to request remote support.

Repairs

Depending on the type of product, services and repairs are provided either on site at your location or at the Protochips factory.

Shipping

For products under warranty that require repair and/or diagnostics, customers are responsible for shipping the product to Protochips factory in Morrisville NC. To request a return please contact our service department at **support@protochips.com**. Please note that a decontamination form must be filled out and approved, and product must be packaged according to Protochips instructions prior to shipping a product back to Protochips

Expired Warranty Extensions – Pre-Inspection

If a product is out of warranty, an extended warranty may still be purchased. Contact our service department to see if your product qualifies. A pre-inspection of the product may be required prior to extended warranty purchase to verify that the product is in good working condition.

Terms & Conditions

Unless otherwise specified, the standard Protochips, Inc. purchase order terms and conditions apply.

Maximize Your Coverage & Benefits
